

The Rotary Clubs of
Calverley and Pudsey
Annual sponsored walk

Please read notes at the end of this information

This map is intended for general guidance only. For more accurate information use the Ordnance Survey Explorer 288 or Landranger 104

Please note only **public rights of way** are used in these routes.

Please note *Walk in boots or strong shoes - some of the ground could be quite wet and boggy. Remember to keep to the route and use due care and consideration... a broken leg is just as bad wherever you are. Observe the Country Code..... And have a great day!*

The Rotary Clubs & the writer accept no responsibility for loss, injury or damage in relation to any part of this event
